

Afternoon activities

Afternoon activities provide pupils with meaningful, refreshing, high-quality pastimes and support the education work of homes and schools

- Afternoon activities are called iltapäivätoiminta or iltapäiväkerho in Finnish.
- Afternoon activities are meant for first and second-year comprehensive school pupils.
- The activities are available from 12:00 till 17:00.
- The child can stay in afternoon activity 3-5 hours per day.
- Afternoon activities normally are held in school.
- Afternoon activities are normally arranged by associations or organizations.
- Afternoon activities are provided by trained instructors and take place both indoors and outdoors and children can also play on their own.
- Children take part in afternoon activities after the school day (they arrive directly from school).
- Children receive a snack during afternoon activities.
- Afternoon activities are not available during school vacations.
- You should apply afternoon activity for your child via WILMA (when it is time to apply).
- If you cannot apply in WILMA you can find the application (and more information) here:
